## Keys to the Kingdom

Complete this worksheet after you finish reading the section “Domains and Kingdoms.”

Patty dropped her notes while she was studying the three domains of living things and the four kingdoms in the domain Eukarya, and now she isn't sure which facts belong to which domain or kingdom. Each of the six boxes on the next page is labeled with the name of one of the domains or kingdoms. Help Patty out by listing the facts, descriptions, and examples from Patty's notes below in the appropriate boxes. Be careful – some notes may fit in more than one kingdom.
